Elite Wellness and Anti-Aging is constantly looking to improve our practice by adding new therapies and products for our patients. Additionally, Dr. Shelton *strives* to get his patients away from as many prescription medications as possible. The products below will assist him in accomplishing this, while continuing to improve your overall quality of life. Please take a moment to read about our products below. If you have any questions regarding these products, please ask Dr. Shelton, David Pokorny, N.P., or our MA.
